Through these Student-led initiatives, Students learn about the harsh realities of life and develop social skills and become responsible. • Eco-centric learning in College has gone beyond classroom, and has evolved through exploration of nature and engaging with the soil. Environmental activities beyond campus enable students to interact with the environment in order to adapt and learn. Tree plantation drive in the campus and in the NSS special residential youth camp in nearby village is organized. • The institute inculcates the cultural values among the students by permitting them to participate in activities of NSS, NCC, Youth Festivals at the university, state and national level. As a result, during the last five years, our students have bagged more than 20 Trophies, with Gold, Silver, Bronze Medal and other consolation prizes in Youth Festival from the host and other universities of the state.
